**Bridging the Distance: Electronic Books (E-Books)**

**By Cheryl Davis, your Distance Learning Librarian**

Are you looking for some fine scholarly books to complete your research? Did you know that you have 24/7 access to thousands of electronic books (e-books) covering subject areas such as business, law and psychology? Well, you do!

Check out our e-book collections on the Evans Library website (lib.fit.edu):

- **eBook Collection (EBSCOhost)**
- **Safari Books Online**
- **PsycBOOKS**
- **Springer eBooks**

**eBook Collection (EBSCOhost)** is a collection of book titles covering a wide range of subjects including business, law, political science and social sciences. The browse by category option allows you to search individual subjects.

**PsycBOOKS** is a full-text database that contains over 1,600 books published by the APA and other classic works of psychology. Search options include author, title and keyword. The BROWSE tab at the top of the page allows you to search for books by title.

**Safari Books Online** contains e-books on subjects such as computer science, business, technology development (e.g., For Dummies series), desktop and web applications (e.g., Facebook, Kindle, Microsoft Office), and personal and professional development that were published within the last three years (current year and two previous years).

**Springer eBooks** give you access to thousands of e-books and reference titles published since 2005 and are organized into subject collections, such as behavioral science, business and economics, humanities, social sciences and law, and professional and applied computing. The Show Filters option (left frame) allows you to narrow your results by collection, copyright year and/or language.

The eBook Collection (EBSCOhost), PsycBOOKS, Safari Books Online or Springer eBooks databases may be accessed by choosing the databases tab on the library website. You may also find individual titles by searching the library catalog. Within each title result, you will see the name of the database that contains the e-books and the URL link to view the book.

If you have any questions, I am here to help. I can be reached at (321) 674-8766 or cdavis05@fit.edu. And, you can always use our Ask a Librarian service at http://lib.fit.edu/services/askalibrarian.php. We’ve created a research guide to help you understand the resources and services available to you. Next time I will tell you about another great Library resource that will help us all to bridge the distance. Have a great term!

**Study Tips—SQ5R Method**

1. **Survey**—Read the info that stands out
2. **Question**—Turn titles into questions
3. **Read**—Read enough to answer your questions (keywords, titles and bold text)
4. **Respond**—Say the answer out loud
5. **Record**—Write the answer down
6. **Recite**—Read the answer out loud repeatedly
7. **Review**—Review the questions you came up with. Test yourself.
Career Management Services

We are pleased to announce that our job posting system, Experience, is now named Panther Career Link! Online students must register with Career Management Services on Panther Career Link to search for jobs posted for Florida Tech students and graduates and to receive individualized services such as resume reviews.

Go to www.fit.experience.com and use the password token “panther” to get registered. To request an individual appointment with a career advisor, please email your request to career@fit.edu from your Florida Tech email address. We will not consider requests for services from generic email addresses.

There are also many other services offered on our website including Career Shift, which is an online set of integrated applications proven to help job seekers successfully find employment and Optimal Resume, which provides virtual résumé assistance. All services require registration with your Florida Tech email address.

Looking for a job overseas? We now offer Going Global, a resource designed to help you find an international job or internship. The resources include expert advice on CV, résumé, work permit and visa requirements to work abroad. You will find a link to Going Global in your Panther Career Link account. For more information and further services available online, go to www.fit.edu/career/online/index.php
